TANEY COUNTY'S ONE & ONLY MICROBREWERY!

Charlie's Microbrews

CHARLIE'S STOUT

A rich, dark beer made with 4 varieties of malt: Minnesota 2-Row brewer's malt, English malt, black malt, and roasted barley. The variety gives it a pleasant, coffee-like character in the finish. Hopped with Liberty and East Kent Goldings.

CHARLIE'S LIGHT WHEAT

A thirst-quenching wheat beer made using our Light Wheat extract with 2-Row brewers malt and white wheat malt. It is hopped with Liberty and the acclaimed Oregon Crystal aroma hop.

CHARLIE'S RED ALE

Similar in color to the English Bass Ale with the hoppy character of beers like Sierra Nevada.

CHARLIE'S PILSNER

This flavorful beer is refreshing, yet not filling. It is made with a combination of fresh Liberty hops from Yakima, Washington and the prized East Kent Goldings aroma hop from England. 2-Row brewers malt is used with a small amount of roasted barley to give it a well-rounded, malty character.

CHARLIE'S BOC DARK

Like American Bock beers of the early 1960's that still had the robust flavor and hoppy character of those seasonal dark beers.

CHARLIE'S NUT BROWN

A blend of our American Pilsner and Stout, which produces a rich character of the traditional English Nut Brown with a light and sweet flavor.
